Best Buddies provides all participants with a once-in-a-lifetime opportunity to make a new friend. We have several ways that you can help Best Buddies enhance our communities through forming one-to-one friendships with students with intellectual disabilities. Join me today in changing lives by being a Best Buddy. If you are interested, you can attend an informational meeting at either 8:15 a.m. or 4:15 p.m. on Tuesday, Oct. 21st in W120.
