

## Yearbook Staff Hard at Work:

While most students have taken the summer to relax, the FHS yearbook staff has spent countless hours planning and designing this year's book, which has the theme of "Mark Your Mark".

If you order your yearbook before September 12<sup>th</sup>, students can purchase the book at the discounted price of \$60 by going to [www.jostensyearbooks.com](http://www.jostensyearbooks.com). After September 12<sup>th</sup>, students can still order a yearbook, but the

price of the book will go up to \$65.

"This year's yearbook will be like nothing that you have ever seen in the halls of Frisco High with new and improved graphic designs and color patterns."

Danielle Conley, 11, Business Manager, said.

## School Climate Committee:

Mark your calendars now! Applications are being accepted for the Frisco High School Climate Committee. For students who are new to Frisco High School, our School Climate Committee is comprised of students, teachers, counselors and administrators who make recommendations and work on projects that positively affect the climate of our school.

They are also involved with the OLWEUS Bully Prevention Program at Frisco High School as well.

Some of the projects this committee has done in the past are: OLWEUS Pep Rally Guest Speaker, Beautifying the Patios between our school hallways, and ordering the picnic tables that will be installed outside our school

cafeteria in the future.

If you are looking for a way to get involved here at Frisco High School, please stop by the Late Gate to pick up a School Climate Committee Application. Applications are due back to the Late Gate by Friday, September 19, 2014.
