Bio & Education

Always a competitor Coach Ortiz, after high school, went to Australia and played for the Jr. USA Olympics Basketball Team and was part of the All Region Champions, with teammate Sheryl Swoops. She then received a scholarship to play and obtain an Associate's degree, and two Bachelor's degrees in Mathematics and Electrical Engineer from UTD. She has been married to husband Joey, for 16 years, and has a 14 year-old daughter, Emma. She was an Electrical Engineer for 9 years and now has her calling in what she LOVES.... teaching Math and coaching Basketball.
