If a parent brings up food for his or her student, he or she must wait in the office until the student's lunch period (not Flex) and hand it to the student. We will not allow the student out of class, and we will not allow the parent to just leave the food behind. Food delivery services will not be permitted. ACADEMICS

Academic Ethics and Plagiarism

FISD expects all students to maintain the highest degree of academic ethics. This requires putting the utmost effort into all class work and assignments and avoiding the ethical pitfalls of plagiarism and cheating.

Plagiarism and Cheating:

Plagiarism and cheating interfere with the assessment and feedback process that is necessary in order to promote academic growth. Education is based on learning specific skills, forming lifelong work habits, and developing mature coping skills according to each student's unique abilities. Stress sometimes propels students to make unethical choices. Students are expected to produce their own work except on projects designated by the teacher as cooperative efforts. Teachers will indicate which assignments are to be cooperative efforts and will establish guidelines for the use of such aids as calculators, computers, word processors and published study guides. If a student is in doubt about the ethical standards applicable to a particular situation, the student is responsible for clarifying the matter with the teacher. Remember, each student is responsible for securing his/her own work.

Plagiarism and cheating include, but are not limited to:

- Submitting material written by someone else or rephrasing the ideas of another without giving the author's name or source.
- Presenting the work of tutors, parents, siblings, or friends as your own.
- Submitting papers, or portions of papers, from the Internet written by someone else.
- Exchanging assignments with other students, either handwritten or computer generated, whether you believe they will be copied or not.
- Using any form of memory aid during tests or quizzes without the expressed permission of the instructor.
- Using a computer or other means to translate an assignment from one language into another language and submitting it as an original work.
- Giving or receiving answers during tests or quizzes.
- Taking credit for group work when you have not contributed an equal or appropriate share toward the result.
- Accessing a test or quiz for determining the questions in advance of its administration.
- Using summaries/commentaries (Cliff notes, Spark Notes, etc.) in lieu of reading the assigned materials.

Consequences

The teacher will notify the parent and Assistant Principal of any student who is caught plagiarizing or cheating. When work is plagiarized or copied from another student, one or both of the students may be penalized.

In addition, the following consequences will be assigned for cheating/plagiarism on **major/minor assignments**:

- **1st Offense**: Student will receive a zero on the major assignment/assessment. The student will be assigned an alternate assignment/assessment to be made up outside of school hours. The maximum grade the student can receive on the alternate assignment/assessment will be a 70%. Retest policy will not apply.
- **2nd Offense (in any class)**: Student receives a zero on the major assignment/assessment, and the retest policy will not apply.
- **Any subsequent offenses** may result in graduated disciplinary consequences in accordance with the campus disciplinary plan as they are often considered persistent misbehavior.

Offenses on daily assignments will result in a zero with no alternative assignment.

Please see the resources below:

- [Alternatives to Cheating and Plagiarism](#)
- [Parental Support](#)

LATE WORK

Late work will be accepted if the assignment is turned in by the next time that class meets. Late work will receive a 15 point deduction per school day from the grade earned. Any assignment turned in beyond two school days late will receive a grade of a zero.

MAKE-UP WORK

Students must collect make-up assignments for all the classes missed on the day they return to school. If a student was aware of an assignment deadline before the absence occurred, the assignment or exam is due the day the student returns to school. Students are allowed to make up assignments or tests missed during any absence.

Examples of the make-up work policy can be found on the following page:

Absent 1 day:

A day	B day	A day	B day
Absent	Return to school. Collect work from “A” day missed.	Turn in makeup work.	

Absent 2 days:

FISD RETESTING GUIDELINES

Students will be able to retest grades 84 and below on MAJOR exams for a maximum score of an 85. Students scoring an 85 or above on the original exam will not have an opportunity to retest for a higher grade. **Tests for the purpose of this guideline include major tests ONLY; quizzes, projects, major writing assignments are not eligible for retests.** A grade of a "zero" received on a major test for cheating or a lack of legitimate effort, as determined by the teacher, on the original major test **is not eligible** to be retested.

1. Students will have a window of FIVE school days after the exam is returned to retest. Remediation and retest must be completed by the end of the Five-day window.
2. Requirements to retest, such as attending tutoring sessions and/or completing remedial assignments, will be determined by campus guidelines.

This retest policy does not include:

- CBAP Process (English Language Arts Curriculum Based Assessment Prompt)
- Projects
- Presentations, speeches, lab reports, and writing assignments that fall under the current Project Guidelines

Project Guidelines:

- Any project assigned and included as a portion of the "major assignment" should be assessed using a rubric that is given to the students at the time the project is assigned.
- The project should be broken down into parts, each part given a deadline/due date prior to the deadline of the completed project.
- Each portion should be assessed as the project progresses, providing several measures of

progress in addition to the grade for the final project.

NOTE: A cumulative assessment/test that will count as a major grade given the last week of the last grading period for year-long classes or for one-semester classes **IS NOT SUBJECT TO** the retest guideline since time for remediation and retesting is not available at the end of the semester or end of the school year.

FLEX TIME

Flex Time is a 25-minute block of time each day when students can choose what activity is best for them based on their academic and/or personal needs. FHS students will have the opportunity to seek academic support through teacher tutorials, create peer study groups, complete homework and make-up assignments, attend club meetings, utilize the library, attend study and soft skills workshops, enjoy quiet time listening to music or reading, or socialize with their peers. Students who are in need of extra support in classes will be required to attend teacher-assigned tutorials. Consequences will be assigned for students who do not attend assigned tutorials. Through Flex Time, our students are empowered to make the appropriate academic and social decisions necessary for success at Frisco High School. Flex Time is a great benefit for students who are involved in extracurricular activities or ride a bus to school as students can now access their teachers for support during the middle of each day as needed. In addition throughout the year, Flex Time will also be utilized for pep rallies, class meetings, and school assemblies in order to decrease the amount of instructional time that is used for school-wide activities.

PreAP/AP CLASSES

PreAP/AP classes at Frisco High School are open to all students. Students are encouraged to enroll in classes that will challenge them appropriately, meet their academic interests, and prepare them for their future career goals. **Students are expected to remain in advanced classes after registration; however, if needed at the end of the first six-weeks, students may request a schedule change to an on-level class. The student must submit the appropriate schedule change form within three school days of the last day of the six weeks. Students may obtain the necessary form from their counselor.** The grade the student earned in the first six-weeks will be transferred to the newly scheduled class.

After the first six-weeks' grading period, the next opportunity to drop a PreAP or AP course will be at the end of the semester. The deadline to turn in the appropriate form at semester will be the last FULL day of the first semester. The student and his or her parent/legal guardian must confer with the teacher, counselor, and assistant principal prior to withdrawing from a PreAP or AP class at either of these opportunities. A student will be allowed to move into a Pre AP/AP course with the parent's, current teacher's, and Pre AP/AP teacher's approval; students will be responsible for all assignments and previous material covered in the Pre AP/AP class(es).

All students AP classes are expected to participation in the AP exam process. AP exams closely mimic college expectations and help prepare students for that standard of academic rigor. Starting with students who will be entering college in the fall of 2016, Texas public colleges and universities are required to award credit to students who score a 3 or higher on AP exams.

To encourage participation in AP exams, FISD has previously partially reimbursed students for the cost of these exams; however, due to increased costs of doing so, FISD will no longer be able to continue these reimbursements. Students who qualify for free/reduced lunch can speak to their

counselor regarding reduced fees for AP exams.

PROGRESS AND GRADING REPORTS

At the end of the first three weeks of a grading period, teachers shall prepare a progress report. Progress reports will be made available on the Frisco ISD Home Access Center (HAC) to make students and their parents/guardian aware of failing grades. Six-weeks grade reports will be posted on HAC by the Friday following the end of the six-weeks grading period. Parents are encouraged to check HAC frequently throughout each grading period for the most current information on their student's progress in a class. Students who receive a grade below 70 at the end of the six-weeks grading period will be suspended from extracurricular activities for the following three-week period.

TUTORIALS

Teachers will be available for tutoring before and after school as their assigned schedule permits for a minimum of 90 minutes per week. Teachers will communicate their tutoring schedule to students in addition to posting it in a prominent place in their classroom. Tutorials will be taught by one or more instructors from the course or department. **Students may go to any teacher in a department to receive tutorial services.** Students who attend tutorials either voluntarily or due to mandatory assignment should be prepared to work on academic assignments. Students who attend tutorials without having appropriate materials may be removed and may receive disciplinary action. **Students who fail to make satisfactory academic progress may be assigned Mandatory Tutorials. Failure to attend Mandatory Tutorials is a violation of the State's Compulsory Attendance Law. Per district policy, students who violate the Compulsory Attendance Law will be referred to Truancy Court.**

Tutorial times will be posted on the FHS website; however, tutorial times are subject to change. Students are responsible for communicating with teachers to avoid scheduling conflicts.

GENERAL INFORMATION

ARRIVAL AND DISMISSAL PROCEDURES

FISD High Schools are organized on a four-period day with 90-minute class periods. School begins at 9:00 A.M. and dismisses at 4:15 P.M., Monday through Friday. Students are under the authority of school personnel when they arrive on FISD property or when students are at a school-sponsored event. Students should arrive no earlier than 7:45 a.m. and no later than 8:54 a.m. Students are considered to be "in school" when they board a bus or step on campus and are not allowed to leave campus without permission from the office. Certain areas of the school will be accessible to students before and after school for specific purposes. Students are required to remain in the area where their activity is scheduled to take place. The cafeteria is the main area for assembly in the morning. Should a student need to leave campus, they will need to report to the front office and follow normal sign out procedures.

Arrangements should be made for transportation home for all students at the end of the school day at 4:15 p.m. **Students not attending a tutorial or an after-school activity should not be on campus after 4:30 p.m. each day. For safety purposes, school doors will be locked at 4:30 p.m. There will be no loitering in the hallways allowed. Disciplinary consequences may occur if found on campus after 4:30 p.m.**

ENTRY TIMES AND LOCATIONS

The front door to the building will open at 7:30am every morning and student must sit in the cafeteria until 8:00am. The door at B/W Hall will open at 8:00am, and the Fine Arts door will open at 8:15am. Consequences will be issued to any student who props open a perimeter door or opens a door for another student.

LATE ARRIVAL AND EARLY RELEASE

Students with late arrival should not be on campus until 10:30 am, and students with **early release must leave campus by the start of 4th period (2:45 pm)**. Students not adhering to this will serve disciplinary consequences, and continued abuse of this policy may result in placement in a class during their late arrival/early release time.

ATTENDANCE

A parent/guardian of a school age child has the responsibility to require that their child attend school regularly. When sickness or other obligation necessitates an absence, **a note signed by the parent/guardian** explaining the reason for the absence **is required** the day the student returns to school. If a student fails to submit a note, the absence will be considered unexcused, and the student will be allowed **three (3) days to submit a written note** (emails acceptable) excusing the absence. **The absence will be unexcused if a parent/guardian fails to provide a note within the specified time.** A student shall be excused from attending school for the purpose of observation of religious holy days, including travel for that purpose, such days shall be limited to not more than one day for travel to and one day for travel from the site where the student will observe the religious holy days. Additionally, a student may be excused for temporary absence resulting from an appointment with a healthcare professional if that student commences classes or returns to school on the same day of the appointment. **Education Code 25.087; 19 TAC 129.21**

A person required to attend school **may be excused for temporary absence** resulting from any unusual cause acceptable to the Superintendent, the principal, or the assistant principal of the school in which the student is enrolled. Such causes may include but are not limited to: 1) personal sickness; 2) family emergency; 3) documented juvenile court proceeding; 4) Board-approved extracurricular activity; or 5) approved college visitation. **Education Code 25.087**

The student's administrator may not accept more than five parent notes for excused absences and may require doctor's notes in order to excuse an absence. See "Truancy" section for more information on school attendance. Additional modifications to attendance procedures may be needed based on TEA's interpretation of new legislation (HB 2398).

BACKPACKS/BOOK BAGS

Students are highly encouraged to use smaller drawstring bags and small purses for personal items throughout the school day in order to prevent crowded conditions in classroom aisles, hallways, and lunches. Teachers may require students to place their belongings in a designated area in the classroom. Backpacks shall not be left outside the classroom or in the hallways at any time.

CLASS FEES

During the 2010-2011 school year, FHS implemented class fees to pay for Senior Prom, Senior Day, Senior Awards night, and other Senior activities that are implemented by the Senior class officers.

Each student can make class fee payments using MyPaymentsPlus.

These fees will be deposited into the senior class account for each grade level. The fees will be documented and credited to the individual student paying the fee. This class fee requirement replaces an annual fundraiser for each grade level and will allow students to make smaller payments over four years to help reduce the financial burdens that overload students and parents during the spring semester of the student's senior year. Students may choose to pay the entire amount all at one time. Should a student choose not to attend prom their senior year or moves prior to prom, all fees paid by the student will be returned to that student upon ***presentation of the receipts*** documenting that they have previously paid their dues. The refund must be requested ***in writing*** through the FHS Finance Office ***21 school calendar days prior to Senior Prom***. No refunds will be issued after Senior Prom.

DELIVERIES

Parents may drop off homework, clothes, and other non-perishable items that students may have forgotten. If a parent brings up food for his or her student, he or she must wait in the office until the student's lunch period and hand it to his or her student. Students will not be permitted to leave class to accept deliveries, and parents will not be permitted to leave food in the office. Due to safety concerns, delivery services of any kind (food, flowers, cookies, etc.) for students are not permitted on campus.

DRESS CODE

All Frisco High School students are expected to follow the FISD Dress Code standards as detailed in the FISD High School Handbook. Any student in violation of dress code will be assigned the following consequences. Dress code infractions accumulate throughout each school year.

1st violation: Warning

2nd violation: 1 hour detention

3rd violation: Saturday School – 3 hours

4th violation: 1 day of ISS and Campus Intervention Team (CIT) meeting

5th violation: 2 days of ISS

6th violation: 3 days of ISS

Students who violate the FISD Dress Code guidelines two or more times are subject to more stringent dress code standards (i.e. shirt must be tucked in and belt fastened to keep pants at waist level, garments must extend to or beyond knee-length, etc.) to be assigned by an administrator.

DRUG DOGS

As part of Frisco High School's ongoing effort to provide a drug-free educational environment, handlers with trained dogs will periodically patrol the parking lot, hallways, locker areas, dressing rooms, and classrooms. Parking privileges may be revoked if a student refuses to allow a search of their vehicle when requested by administration. The dogs will not search individual persons.

ELECTRONIC DEVICE POLICY

All students will be required to place cell phones in caddies when they enter the classroom at the beginning of each period. Teachers will instruct students when they may get their phones for classroom activities or brain breaks and then put them back. If a student has his or her cell phone on his or her person when the phone should be in the caddy, the phone will be confiscated. Students are allowed to have devices out during lunch in the cafeteria, during Flex time, and between classes.

Students or others may not tape record classes without the approval of the teacher and principal. Electronic devices are not allowed in ISS.

Students should not be using their electronic device for phone calls. If the need arises, a student may call from the office phone located at the front of the school. Parents should be cautious when calling or sending text messages to their children during school hours because this may cause the phone to be confiscated.

If a student uses such a device or displays the device during the prohibited time, it will result in confiscation of the device. If a student refuses, for whatever reason, to surrender the cell phone/electronic device, this action will be considered insubordination and may result in a suspension from school. Any cell phone/electronic device use that disrupts instructional time may result in more severe consequences.

Upon confiscation, the cell phone/paging device will only be returned to a parent or guardian. Students who violate the FHS cell phone/paging device policy will face disciplinary consequences (detailed below), regardless of the circumstance under which the policy was violated. A student's administrator may add individual specific cell phone restrictions to these disciplinary consequences as needed.

- 1st Offense Phone confiscated and returned to parent
- 2nd Offense Phone confiscated, \$15 fine assessed and phone returned to parent upon payment of fine
- 3rd Offense Phone confiscated, \$15 fine assessed and phone returned to parent upon payment of fine
- 4th Offense Phone confiscated, \$15 fine assessed, Campus Intervention Team (CIT) meeting scheduled to discuss possible phone restrictions. *Code of conduct discipline can be implemented for violations of using/exhibiting prohibited items.*

It is the responsibility of the student to notify their parent(s) that their phone has been confiscated. At their discretion, parents may set a time to pick up the device and pay the fine, if applicable. Cell phones must be picked up by 4:30 pm. Devices not picked up by May 31, 2019, at 4:10 p.m. will be disposed of following district guidelines. Electronic device fees must be paid online via My Payments Plus.

Note: Students bring phones and other items to school at their own risk. It is the responsibility of the student to secure his/her belongings. The District will not be held responsible if a phone or other item is lost, stolen, or misplaced, including those that have been confiscated.

ELECTRONIC/VAPOR CIGARETTES

Beginning with the 2013-2014 school year, the FISD Student Code of Conduct has included electronic/vapor cigarettes in its list of prohibited items. These items will be confiscated, and disciplinary consequences will be assigned which may include a SRO referral.

FIELD TRIPS

Students failing one or more classes may be prohibited from attending field trips if they will miss the class they are failing. The decision will be made by the teacher of the class in which the student is failing in consultation with the student's assistant principal.

ID CARDS (Pilot Initiative)

In order to better safeguard our campus, FHS will be piloting an initiative requiring students to wear their ID badges. All Frisco High School students will be issued one (1) free Student ID card each school year. Students are required to wear identification badges at all times while on campus to help identify students from non-students. ID badges must be displayed above the waist and be visible from the front before entering the building and must be worn throughout the school day. Students may choose to wear school appropriate lanyards. Students wearing their badge will have earned the opportunity for: library privileges during Flex, purchasing athletic/activity tickets, purchasing food during Flex, buying items from the coffee shop, access to the courtyard during Flex and Lunch, and purchasing from the school store. Students without a badge have lost those opportunities. Students without IDs can expect to pay full price for admission to games rather than the discounted student price. Wearing another student's ID badge or giving your badge to another student will result in disciplinary consequences for all students involved. Failure to comply will result in disciplinary consequences. Students will receive three warnings per semester. Following infractions will result in detention.

The process for replacing a student ID is as follows:

1. Students who have lost their badge must report to the Late Gate for a replacement.
2. Each replacement card is \$5 and the charge will be placed on the students MyPaymentsPlus account.

LETTER JACKETS

Academic Lettering

One of the ways Frisco High School recognizes and rewards academic achievement is through the awarding of Academic Letter patches. Juniors and seniors at Frisco High School may earn this recognition by meeting the following standards:

1. The student must earn a cumulative 95 or higher weighted grade average for a minimum of four semesters of high school course work. Only juniors and seniors are eligible under this criterion.
2. All classes that count for class rank will be considered.
3. At least one of those four semesters must be completed at a Frisco ISD high school.
4. Students who have less than a 95 weighted grade average after four semesters, but whose cumulative grade average improves to a 95 or higher at the end of any subsequent semester may apply for the award at the end of that semester.

Jackets will be ordered during the same time period as athletic and club letter jackets. Students will be able to order letter jackets after they qualify at the next available ordering time. Students may receive only one academic letter patch during their high school career. Students who are eligible will be notified through the Principal's office.

Athletic, Club, & Organization Lettering

Students at Frisco High School may letter through a variety of sports, clubs, and organizations. Each organization will define its "Lettering Criteria" and distribute to students at the beginning of the school year or season. Students may earn a letter in any of the following activities:

- Varsity Athletics
- Varsity Cheerleading and Blue Crew
- Fine Arts: Arts, Band, Choir, Orchestra, Stars
- UIL Academic Activities: Academic Events, One Act Play
- Student Council
- Yearbook

Jackets will be ordered three times during the 2017-2018 school year through TSR in the FHS cafeteria. Students will be notified by their sponsor should they letter and will receive an information packet at that time.

LOST AND FOUND

Items not claimed from lost and found every Friday by 4:30 pm may be donated to a charity organization.

MEDICATION

The district shall not purchase oral nonprescription medication for students.

All medication must be turned in to the nurse upon arrival to school. A student may be subject to Fisd disciplinary action if found with any type of medication.

In order for students to receive *district-approved oral nonprescription medication (Tylenol, Advil, Benadryl, Tums, Cough Drops, & Throat Strips)* while at school, the parent/guardian must complete and sign the Request for Administration of Medication form. Parents must send the age-appropriate medication to school in the original container (smallest container available), which must be properly labeled. The nurse may give up to 10 doses of the district-approved oral nonprescription medications. After students take 10 doses of a medication, the parent/guardian will be notified that a doctor's note will be needed in order to continue to give the student the medication.

All other nonprescription medications must have a doctor's note and must be in the original container, which must be properly labeled. The parent/guardian must complete and sign the Request for Administration of Medication form & send the medication to school.

All prescription medication that cannot be scheduled to be taken outside of school hours may be given at school. Parents must complete and sign a Request for Administration of Medication form, and the medication must be in the original container, which must be properly labeled.

A list of medications that are used in the school clinic is available upon request from the school nurse. Please contact the school nurse with any questions.

PARKING ON CAMPUS

- Drivers are required to register vehicles through the Main Office and obtain a parking sticker. Stickers are to be displayed while the registered vehicle is parked at Frisco High School. Stickers are to be displayed on the driver's side front window. Stickers are removable and can be reapplied.
- Registration and stickers are \$50 (per year)/\$30 (2nd semester) and are the responsibility of the driver. A fee of \$10 may be charged for replacement stickers.
- Vehicle registration stickers are the property of Frisco High School. Stickers may not be traded, loaned, given away, borrowed or sold. The sticker is intended for the sole use of the student registering the car. If a student driver withdraws from school or the sticker is no longer needed,

it must be returned to the office.

- Students are not permitted to park on campus without a sticker. Students should contact the office if you are driving an alternate car without a sticker.
- Students are responsible for any damages caused to school property or other vehicles.
- Care, custody, and control rules/laws apply to all vehicles on FHS property.

The district has the right to search a vehicle driven to school by a student and parked on school property whenever there is reasonable belief that the vehicle contains articles or materials prohibited by the district. A student's refusal to comply and provide access to a vehicle that they drove to school and parked on school property whenever there is reasonable belief that the vehicle contains articles or materials prohibited by the district will result in the administering of consequences by an administrator that may include Out-of-School Suspension, In-School Suspension, loss of parking privilege, loss of extracurricular activity attendance or participation, and loss of attendance at other school sponsored activities.

Students who violate the FHS parking policy will face the following disciplinary consequences, regardless of the circumstance under which the policy was violated.

PEP RALLIES

In order to promote school spirit at FHS pep rallies, students are encouraged to wear royal blue and gold attire. All students must attend a pep rally. Due to safety/seating concerns, parents may not be able to attend all pep rallies. When parents are allowed, parents must arrive early, check-in to the front office, and sit in the designated area reserved for parents.

STUDENT STAFFING (CAMPUS INTERVENTION TEAM/CIT)

If a counselor, teacher, or administrator determines that a student is severely at risk academically or behaviorally, they may request a "staffing/CIT" to be held involving all of the student's parents, teachers, counselor, and assistant principal. This can be an effective tool in combating serious academic and behavioral problems. These meetings will be coordinated by a counselor or administrator and scheduled so that everyone may attend.

TARDY POLICY

Tardiness is viewed as a disruption to the classroom environment. Coming in late not only deprives the tardy student of their full learning time, but tardiness also disrupts the education of other students and the effectiveness of the teacher. Promptness and punctuality are skills necessary and beneficial for both school and the workplace.

Students who are tardy to any class period will not be allowed to enter without an admit slip from the computerized tardy system. The tardy system will assign consequences as listed:

- Tardy 1-2-3 Warnings
- Tardy 4-5-6 1 hour Thursday Night Live (TNL) detention
- Tardy 7-8 2 hours TNL detention
- Tardy 9 One day In School Suspension
- Tardy 10 Two days In School Suspension
- Tardy 11 Two days Out of School Suspension
- Tardy 12 Further consequences will be assigned. Consequences can include OSS, SOC, and/or Truancy Court

Failure to serve assigned consequences may result in further consequences such as ISS/OSS or truancy charges.

Flagrant disregard for the tardy policy may result in accelerated assignment of disciplinary consequences. Consequences for tardiness are assigned from the cumulative count of ALL combined classes. The tardy count starts over each semester.

TRUANCY

As established in Subchapter C of Chapter 25, Section 25.092 of the Texas Education Code, a student is required to attend each class 90% of the days scheduled in a given semester in order to receive credit for said class. Students who do not meet this 90% attendance code due to either excused or unexcused absences will be notified during the last six weeks of the need to meet with the FHS attendance committee. The attendance committee will determine the amount of time that a student will need to serve in Credit Restoration in order for the student to receive course credit.

Any student who is not in attendance at least 75% of the time for any course cannot undergo the Credit Restoration process and cannot receive credit for the course(s) in which they are in violation of the attendance code.

VISITORS

All visitors must check in the front office. First time visitors will need to provide a driver's license/ID to be scanned in Raptor. Visitors are not allowed in the building during school business hours except for official business such as obtaining transcripts, diplomas, or as approved by the principal. During the school day, former students and students from other schools not taking classes at FHS may not be in classrooms during student instructional time. Violators will be removed from campus and will be subject to "no trespassing at any Frisco High School events" for a minimum of 2 consecutive years. Parents may not monitor classroom activities without prior approval of the principal.

VISITORS FOR LUNCH

Any person not listed as a student's contact who wishes to visit that student for lunch must complete a request form at least 48 hours prior to the visit. Requests may be obtained in the FHS front office or on the school website. Visitor requests may be denied by an administrator.
