Bio & Education

Before moving to Texas in 2008, I had lived in California, Nevada, Kansas, Illinois, and Arkansas. I attended around ten different schools before I graduated high school! I only attended one college, though – UNT, where I got a degree in English and Education. 2017-2018 will be my fourth year at Heritage. Go Coyotes!

Course Taught

- 🦁 AP Literature
- 🦁 PAP English I
