Bio & Education

I moved from the Chicago suburbs three years ago when my then-fiancé was promoted for work. This will be my fourth year at HHS and I still feel so lucky to be part of such an amazing school and district!

I've lived in Illinois almost all of my life and graduated from the University of Illinois in Urbana-Champaign, but am really liking Texas. I also teach group fitness classes part time.

Course Taught

- AP Calculus BC
- Pre-AP Precalculus

Tutorials

Mondays 8:20 – 8:50am
Thursdays 4:15 – 4:45pm

Activities/Hobbies

- ☞ Fitness/Nutrition
- ☞ Reading
- ☞ Baking/Cooking
- ☞ Crafts/Painting
