Bio & Education

I graduated from The University of Texas at Austin with a geology/geophysics degree. I was a professional geologist before I became a teacher. I also have my M.Ed. from Lamar University.

I've been teaching for 20 years. My darling wife is also in education. She is the lead counselor at Centennial HS. We have two sons: Griffin and Garyn.

Course Taught

- ☞ On A Days I have 2 classes of Earth & Space Science: 2A, & 3A. I also help with AcDec on A days during 4A.
- ☞ On B Days I have 3 more Earth and Space Science classes during 1B, 2B, & 3B.

Tutorials

My classroom is B218. My tutorial schedule is:
Monday & Tuesday PM & Thursday & Friday AM
But I am usually in my room almost every day both before and after school.

Activities/Hobbies

- ☞ We are active members of our church: Frisco Bible Church
- ☞ We love to travel, hike, backpack, camp, ski, and scuba
- ☞ In my spare time, I run marathons and play indoor/outdoor soccer
- ☞ I love to read science fiction and/or watch sci-fi programs
- ☞ I am an absolute fanatic when it comes to Longhorn Football!!!!
