It hardly seems true, but we are down to our last week of school! Tomorrow is a bad weather make-up day, and we do not have classes. Additionally, Monday is Memorial Day, so we will see students back for class on Tuesday, May 30th and it will be an 'A' day.

Parents, expectations for the last week of school will be the same as they have been during this school year. Grades will be taken through Thursday, June 1st. School expectations have not changed and we want our students to finish out the remainder of the school year in the positive manner in which they have conducted themselves throughout this past year.

On the last day of school, Friday, June 3rd, all students will be released at the end of second period, which at Heritage is 12:20 p.m.

Parents, please remember that students who must leave campus during the school day are required to sign out in the office after obtaining permission to leave school. Students are required to sign back in upon their return. On page 6 of the 2016-2017 Student Handbook addendum, in both the arrival/dismissal procedures section as well as the student parking section, procedures for signing in/out are outlined. Please be sure that your student is following guidelines.

As you plan ahead to graduation, it is extremely important that our senior families utilize the district shuttles to the Dr. Pepper Star Center. There is a Rough Riders game that evening, as well as construction at Stonebriar Mall along with the fact that we can only utilize one parking garage. The district shuttle will pick up at the Central Administration Building at 5515 Ohio Drive in Frisco. Overflow parking for shuttle will be located at Lebanon Trail High School, which is located at 5151 Ohio Drive in Frisco. Parents are welcome to begin arriving at these two locations at 2:00 p.m., but the shuttles will not begin to run until 2:30 p.m. Our graduation ceremony will not begin until the last district shuttle has arrived at the Dr. Pepper Star Center.

Have a student driver? If your student is planning to take driver's education this summer or is planning a trip to the Texas DPS, he/she will need a VOE. They can sign up in the office the last week of school, and it will be good for the time school is out for the summer only. If, by some chance, your student is unable to get one the last week of school, they can visit the school office during summer hours and get one then.

If your student has medication in the school clinic, it's time to pick it up. You may come to Heritage during normal office hours between now and Thursday, June 1st to pick up any medications. If you would like for our school nurse to properly dispose of the medication, please e-mail Nurse Rousser at www.roussek@friscoisd.org.
