Bio & Education

I have been teaching for thirteen years and this is my first year at Heritage High School. I have a bachelor's and master's degree from The University of Texas and over 300 hours of professional development. In 2016, I received the Raytheon Math Heroes Award and in 2014 I was elected to the Board for Distance Education at Texas Tech University. In 2015, I presented at the Texas Instruments International Conference and in 2016 I was awarded \$5000 by Lowes to start an indoor school garden. Between 2013 and 2016 I received \$10,000 in grants to integrate technology into my classroom and for various service projects.

Course Taught

- 🦋 Geometry
- 🦋 Study Skills
- 🦋 Learning Lab

Tutorials

Thursday mornings

Activities/Hobbies

- 🦋 I enjoy traveling, looking for a bargain and spending time with family!
- 🦋 I am in escrow purchasing a 100 year old home that I plan to restore.
