### **Bio & Education**

I was born and raised in Frisco. After graduating from Frisco High School, I attended Austin College where I played football for four years, participated in Model UN and travelled abroad for Jan Term to study theater in London. I began my teaching career thirteen years ago at Staley Middle School and spent three years there and seven years at Wakeland High School before moving over to Heritage two years ago. My amazing wife Katie and I have two children, Violet (5) and Max (3) and a third on the way.

### **Course Taught**

- English IV
- JV Basketball
- Freshman Baseball
