Bio & Education

I grew up in Carrollton, Texas and have lived in Frisco since 2005. I attended Texas A&M University, where I studied abroad in France & earned a Bachelors in French with a minor in Business. Wanting to be fluent, I moved to Paris for a year. After working in the HR field for 11 years, I decided to return to my passion and share this beautiful language & culture with the next generation.

My husband and I love Frisco and have 2 crazy dogs – Trigger & Darcy. We love to travel and spend time with friends & family.

Course Taught

- French I
- French II PAP
- French III & PAP III
