Verification of Enrollment (V.O.E) Forms

Verification of Enrollment (V.O.E) is required for anyone under 18 years old obtaining/renewing a Texas Driver’s License or taking Drivers Education.

Sign up is at the Attendance Office – you may sign up any time during Attendance hours. It is based on a student’s credits earned/denied and attendance for the latest complete semester. Students with excessive absences may not qualify.

A new form is required each time you renew your license, sign up for driver’s education, or go from permit to license.

The V.O.E. is valid for 30 days and must be signed in BLACK ink

We have the forms in the HHS Attendance Office. You do not have to provide the form.

You must submit your request to receive your V.O.E. 24 hours before receiving it. Your form should be ready for pick-up the following day.

Thanks
