Bio & Education

I was born in Colombia, South America and was raised in the U.S. Although I have lived here most of my life, I was extremely fortunate to have been brought up in a bilingual environment and culture. It is one of the **BEST** gifts my parents have endowed me with. As a result, I foster a curiosity and love for languages. I graduated from the University of South Florida in Tampa with a B.A. in psychology and post-graduate courses in cognition and psychology of language. I am certified K-12 Spanish and EC-6 Bilingual.

My husband and I are the lucky and proud parents of a college freshman, a high school freshman, and a spunky dog named Luna.
