### **Bio & Education**

I am married and have two children – a boy and a girl (actually, a man and a woman, now). I also have a son-in-law who is a Senior Pastor in south Arkansas, a grandson named Luke, a granddaughter named Ellie, and a brand new grandson named Levi. My daughter is a stay-at-home mom with a Master's Degree in Counseling. My son teaches physics and is the head soccer coach at a private school in Houston. His wife is also a teacher at the same private school.

I graduated from the United States Military Academy at West Point.

I have Masters Degrees from The University of Phoenix (Masters of Business Administration) and Lamar University (Masters of Education in Secondary Administration).

### **Course(s) Taught**

- ☞ Credit Recovery – in my thirteenth year in Frisco. I split my time between Heritage High School and Centennial High School. I have also run the Credit Recovery Program at Liberty High School and Frisco High School.
- ☞ Facilitate the HHS Learning Lab.
- ☞ Help facilitate Chinese I, Chinese II, PreAP Chinese III, and American Sign Language III and IV online Lab activities at CHS.
- ☞ Before FISD, I taught Math (Algebra 1, Geometry, and PreAP Geometry) and Credit Recovery in Allen.

### **Tutorials**

- ☞ The Credit Recovery Lab (A128) is available for students to work on their credit recovery modules before and after school on A-days.

### **Activities/Hobbies**

- ☞ Music (Playing and directing)
- ☞ Tuba Christmas
- ☞ Wood
- ☞ Golf, when I can
- ☞ Math tutoring

*We Are...* **HERITAGE**
