5151 Ohio Drive  
Frisco, Texas 75035

Dear Future Students and Parents of LTHS,

I am excited to welcome you to our new high school. After serving as Principal for eight years, the opportunity to establish a strong vision for a new campus and work with this talented group of students from Clark, Fowler, and Hunt is an exceptional opportunity. A high school becomes great through the accomplishments of our students, supported by a dedicated teaching staff. As we serve students in our state of the art building, I know we will quickly build a tradition of excellence, starting with the Class of 2020.

Our primary goal will be the academic and social growth of every student as we build a world-class high school. The idea of being world-class includes the best possible learning experiences and a culture of caring. With your partnership, I know LTHS will be an exemplar among high schools.
