

Lone Star High School is pleased to announce a partnership with the Texas Women's University Go Center. The GO Center students have the opportunity to talk to LSHS students one-on-one regarding the college admissions process, college applications, financial aid, myths about college life, provide access to all universities, assist students in selecting their careers.... and the list goes on and on.... This center provides an environment that focuses on creating a school-wide college going culture and promoting college awareness. This is part of the statewide College for Texans Campaign. It's a campaign to raise awareness among students and their families about the benefits of higher education and how to prepare for it academically and financially. It is also used to help motivate students to successfully pursue higher education. TWU students will be here from 11:30 am – 2:30 pm every other Tuesday in B102. Students will be using Xello to access college information, scores, etc... Please make sure you know your username and password. If you've forgotten it come by the counseling center before or after school and talk to your counselor. This is a great opportunity to ask the TWU students any questions that you might have regarding college. If you have any questions regarding the Go Center, please contact Mrs. Brenda Elmore at ElmoreB@friscoisd.org or feel free to request an appointment by filling out a request in [Google Forms](#).
