

FISD Bond Program 2014

On Saturday, May 10, 2014, the citizens of the Frisco Independent School District will be asked to consider a \$775 million bond package to provide educational facilities for up to 66,000 students. PASA Demographics currently projects Frisco ISD will reach that enrollment figure in 2020. The plan was developed by a committee of 27 parents and community members. Ultimately, the group

proposed a package that includes new schools, additions and land purchases, instructional and student support needs, and renovations to support facilities. Trustees accepted the proposal at the February 10th regular meeting of the Board and called a bond election for May 10, 2014. For more information on the Bond Program, please visit the following website. <http://www.friscoisd.org/bond2014>

Community Forums

FISD will host public forums to provide information and answer questions about the bond program. Each event will be held from 6 to 7 p.m. on the following dates:

April 7 - Wakeland High School
 April 9 - Frisco High School
 April 16 - Heritage High School
 April 17 - Centennial High School

Register to Vote by April 10

Don't forget you must be registered to vote by April 10th if you want to vote in the May 10th general election/FISD Bond Election! We have some voter registration cards here

in the school office or you can apply online. In addition, if you have a college student who is registered to vote and his/her permanent address is still here in FISD, he/she can apply for a ballot to vote by mail/absentee. The first day to apply for a ballot by mail was Tuesday, March 11th.

Student Vs. Faculty

The WHS Student Council is hosting the 3rd annual Student Vs. Faculty Basketball game on April 3. This year, the basketball game will raise money for the Justin Wakeland Scholarship Fund. The girls will play at 6:30pm and the boys will play at 8:00pm. Please come out and support your favorite team!

Message From Mr. Williams

It is hard to believe it is already April. Spring has Sprung! I would like to encourage all parents to take our short survey and reflect on your student's education here at Wakeland. Our staff values your input and we will work to improve our campus based on your feedback. If you have not already completed the survey, please find it on our WHS website, or click [here](#). I am so excited about the opportunity that the Juniors have on April 9. Please join us at Lone Star High School for the "Just For Juniors-College 101" night. The presentation will include an overview of the college application process as well as tips and strategies from the perspective of the college admissions representatives. I know that the college application process can seem overwhelming. I hope that this will ease some stress and answer some questions you may have regarding the process. Let's keep up the great work as we continue to pursue excellence!
