Important Tips This Cold/Flu Season

This time of year, there are some simple things you can do to stay healthy:

- Avoid touching the eyes, nose or mouth.
- Cough/Sneeze into the upper sleeve or tissue-dispose of it properly.
- Frequently wash hands.
- Use hand sanitizer. It is available in classrooms and common areas.
- Stay home when ill. Students must have temperature below 100 degrees for 24 hours before returning to school (without taking a fever reducing medication). [Click here for FISD's policy](#) regarding when to keep your child home from school.

Message From Mr. Williams

Our Spring Semester is off and running. We will be heading into EOC testing soon. If you feel your student may need extra help, we offer EOC tutorials. Please visit with any of the core teachers to get more information. If you are looking for a little entertainment, I highly encourage you to come out to our annual talent show on February 6 at 7:00pm. We have so many talented students and the acts are sure to impress! The top 2 winners will represent WHS at the city wide talent show on March 22. You might also want to catch one of our concerts, basketball games, track or swim meets. I wish all of our BPA, DECA, ACDEC, and Debate students Good Luck at their State competitions this month. Congratulations to our NTHS students; we inducted the largest class in the entire state of Texas. Our 2012-2013 [report card \(located on our website\)](#) indicates that WHS is at the top. This is attributed to our staff, students, and parents. We are in the pursuit of Excellence!

-Clarence Williams
