Lab Courses

Students identified as needing additional math and/or reading instruction will be placed into a math and/or reading lab class. This class will take the place of an elective class. Texas Administrative Code requires remediation for any student who fails to demonstrate satisfactory performance on any section of the State assessments of academic skills. In addition, students who narrowly met State assessment passing standards may be included in remediation during and before or after the regular school day.

Schedule Change Request Guidelines

- Schedule changes are subject to availability in the class requested, student need, and master scheduling issues.
 - Students need to choose classes carefully as **schedule change requests will only be accepted during the first week of school for changes between on-level and Pre-AP courses.**
 - **Students will not be allowed to request schedule changes for elective classes.**
 - A schedule change request does not guarantee that a schedule change will occur. All schedule changes must be approved by the principal or principal's designee.
