

## FAQ's

- **Can a student earn all their service hours in the summer before the new school year?**  
No, only 4 service hours can be carried into the new school year from summer that will apply to the 1<sup>st</sup> six weeks.

- **How many service hours are required?**  
20 total and must have 4 per six weeks. If a student earns more hours that six weeks, that can roll into the next six weeks.

- **How can a student earn community service and what is considered community service?**  
Any time an NJHS volunteers to help within a community it can be considered service time. Some things that can be considered is reading to the elderly, helping out with sporting/music/school events/Teachers needing help, making food to give to the needy, etc. Any further questions on service hours please contact Coach English – [englishm@friscoisd.org](mailto:englishm@friscoisd.org) please select the Community Service Recommendation link on the website for some places to earn community service.

- **How can students join/apply for NJHS and when can students apply?**  
See the NJHS Membership Criteria Link on the website to find out this information.

- **Any further questions about membership, officer elections, probation, community service, etc. should be found in the NJHS Bylaws.** Please see the NJHS Bylaws Link on this page.

- **Where can the community service forms be found?**  
Please see the NJHS Service Hour Forms Link on this page.
