
2018-2019 Secondary Gifted Referral Information January 10 – 25, 2019

Parents, teachers, school administrators, students, and community members may refer a child for gifted screening. Please note, if the student tested in the spring or fall of 2018, he/she is not eligible for testing.

Referral Window: January 10 – 25, 2019

Secondary campus GT teachers will begin taking names of referred students January 10th, and referral links will be sent to parents/guardians Jan 11th. Please look for an email from GiftedTalented@friscoisd.org to access the referral link. Emailed referral links will become inactive at midnight January 25, 2019, and no referrals will be processed after that time. Please do not wait until the deadline to complete a referral.

If you have any questions regarding the FISD gifted and talented referral, screening, or identification process, visit our district website (<http://www.friscoisd.org/departments/gifted-education/home>) or contact a member of the GT team on your student's campus.

*FISD will offer GT American Studies (an interdisciplinary study combining AP Language & Composition and AP US History) for 11th grade students in the 2019-2020 school year. Students interested in this course should be referred during the January 10 – 25 referral window.

*High school students identified in the spring of their 9th or 10th grade year will not be eligible to take GT Humanities; however, they will be eligible to take GT American Studies.
