

New to Frisco ISD? Registering a 6th, 7th or 8th grader for 2019-2020?

We are happy to assist in registering your 6th, 7th, or 8th grader for the 2019-2020 school year if your home is in the Maus attendance zone. If you have not already done so, please complete the online registration [here](#) being sure you are in the 2019-2020 registration environment when you get to PowerSchool Registration.

After the online form is completed and you have the following required documents, please contact teala@friscoisd.org to schedule an appointment to bring in documents and go over course request with a counselor.

Remember, the online registration form MUST be completed prior to scheduling an appointment.

Gather the following required documents and bring these with you to your appointment or, to save yourself time at your appointment, scan and email them to teala@friscoisd.org. However, you will need to bring the originals to your appointment for verification.

1. Certified Copy of Birth Certificate ([Birth Certificate Requirement Form](#))
2. Student's Social Security Card
3. Immunization Records ([View requirements](#))
4. Proof of Residency ([View acceptable documents](#))
5. Last Report Card
6. Driver's License of Enrolling Parent

If your child was enrolled in a Frisco ISD school at the end of the 2018-2019 school year and you have moved into the Maus school zone, please **do not** complete the online registration form. You will instead contact the last school and submit to them your new Proof of Residency.

They will then contact Maus to complete the registration process. You will need to then contact Alexandra Teal at teala@friscoisd.org to schedule a meeting with your counselor to complete the course request information.

The district will have additional registration opportunities over the summer if you are unable to attend the pre-registration by appointment. Stay tuned to the Maus MS and Frisco ISD websites for other registration opportunities.
