Last night your 7th and 8th grade Lady Seahawks took on Fowler at Independence High School.

The 7th grade remains undefeated beating Fowler 5 to 1. Ava Bradford scored 3 goals with Lydia Mayne and Belle Hinnant chipping in 1 each.

Our Impact Player of the week is Elaina Flores. Elaina does a great job of leading her team while maintaining a positive attitude.

The 8th grade fought hard but fell to Fowler, losing 1-0. Impact players of the week are Emma Korenck and Xana Perez. Both girls work incredibly hard on and off the field. Great job ladies!

Attention 8th Graders! Due to expected thunderstorms tomorrow afternoon, we are going to reschedule our final Scoggins Strong Girls/Seahawk Strong Guys event to Monday, May 20th. Instead, you will be participating in your first House Team Challenge tomorrow during C3 time! Please report to your C3 teacher for attendance, and then, we will call you down to the competition gym. Get ready for some good, fun, and friendly competition!
