

Parents:

I am excited to be joining Staley as the new girls athletic coordinator for the 2016-17 school year. I look forward to the opportunity to get to contribute to such a great school as Staley by directing the girls athletic program. Our program will allow the athletes to have fun while preparing them for high school sports. It will also be a program that the girls will be proud to say that they were a part of as they leave to move on to high school.

We will have our 2016-17 Girls Athletics Parent Meeting on Thursday, May 19, 2016 from 7-8:30 PM in the Staley Cafeteria. We will be sharing information pertaining to FISS and Staley athletic policies as well as information regarding paperwork for each athlete including UIL medical history and physical form. If your daughter is planning on participating in athletics at Staley next school year, then please plan on attending this meeting.

If you have any questions, feel free to email me at charlesg@friscoisd.org

Go Lady Mustangs!!!

Wesley Charles
Staley Middle School
2016-17 Girls Athletic Coordinator

The 2016 Staley Summer Strength and Conditioning Camp registration is now open on the FISS website (the link is posted below). There is one session offered for female athletes. We highly encourage your daughter to participate if at all possible as the camp helps prepare the athletes for the sports seasons in the upcoming school year. Once you open the link to go to the registration page you will then need to click on the blue "more" tab and it will display the camp information. Please note that the girls' camp is the last session listed at the bottom of the page. Please let Coach Charles know if you have any questions. His email is charlesg@friscoisd.org.
