Note: Backpacks must be stored in lockers, it is important to consider this prior to purchasing a backpack with wheels as these will not fit in lockers. In addition, many students enjoy adjustable shelves to help with organizing their locker. Please wait until your student sees his/her locker and its dimensions before making a purchase. *All materials must be replenished as needed. It is a good idea to purchase additional pens and pencils as students tend to go through these very quickly. Elective supply list provided by teachers the 1st week of school.*
