

# How Parents Access the Student Learning Hub

<p><b>Go to <a href="http://studentlearninghub.friscoisd.org">http://studentlearninghub.friscoisd.org</a></b> (This is a NEW address this year, so please update your bookmarks!)</p>	
<p>Parents, you will now login to the site with the following information:</p> <p><b>Username:</b> This will be the parent email address used for registering students.</p> <p><b>Password:</b> This will be the birthday of your oldest child enrolled in Frisco ISD, in the format MMDDYYYY</p> <p>Trouble logging in? Please use the <b>“Lost password?”</b> option in the login box.</p>	
<p>Once you have logged in, you will see a <b>“parent block”</b> on the left side of the screen that will have your children’s names listed.</p> <p>If you do NOT see a child’s name that means that your child has not yet logged in to the Student Learning Hub.</p>	
<p>Click on a child’s name to see a list of classes he or she is enrolled in.</p> <p><i>**If your child(ren) are not enrolled in classes on the Student Learning Hub, then most likely the classroom teacher is not using this tool. If you have questions about this, please contact your child’s teacher.</i></p>	
<p>Click on the name of the class you want to access. This will take you to the student’s profile.</p> <p>You now must click on the course name in the <b>“breadcrumb”</b> at the top of the page. You will find the course name directly before the word “Participants”.</p>	<p>Middle School &gt; 6th Grade &gt; <b>PAP Math 6th Grade</b> &gt; Participants</p> <p>ax Hampton (PAP Math 6th Grade)</p> <p>0, 2014, 9:20 AM (21 days 3 hours)</p>

<p>Click the home button to return to the main screen of the Learning Hub, where you will find your parent block.</p>	
<p>Also available on the main page of the Student Learning Hub is a big orange button that says Curriculum Resources. This is a place you can go to find online resources in addition to the ones provided by your child's teacher on their Learning Hub sites. As the year progresses, the number of resources available here will grow.</p>	
<p>Need Help? If you are having trouble, please feel free to click the "?" button at the top right and it will direct you to email our site administrator.</p>
