

Office 365 Student Account

Downloading Office 365

1. Go to the site:
<https://products.office.com/en-us/student> .
2. Make sure that the Students tab is highlighted, click the **Get Started for free** button.

3. In the Enter your school email address box, type in the following email address using your student ID:
studentID@friscoisd.org
 - (Use student ID number. This is the same ID that your student uses to log into the computer at school and is also the same ID as his/her cafeteria number).
 - **Do not** use the student Google account login!
4. Click Sign up.
5. Click Continue.

6. Make sure the username is still studentid@friscoisd.org.
7. Type in the student's password, which is their 8 digit birthdate (mmddyyyy).
8. Click **Sign in**.

9. Click **Start**.

10. You should now see the download page to install office on your Mac or PC.
