General Information-

- **Important Safety Announcement:** Attached is the current traffic pattern for picking up and dropping off your student. We have had two Wester students involved in pedestrian and vehicular accidents this school year. We currently have over 1,000 students so it is imperative that we follow all rules in regards to student safety. Enforcement by Frisco Police and Wester Staff will have zero tolerance in following all illegal traffic violations and safety procedures. Please review the traffic pattern and understand Texas laws will be enforced pertaining to parking in marked fire lanes, parking in prohibited areas & times, using hands-free devices, crossing our children where crosswalks are provided amongst other laws to provide the safest ways for our children to arrive and leave our campus.
- **Staar Testing** dates are approaching. Due to the testing on March 28th and March 29th, Wester will **not** be accepting lunch deliveries or visitors. Thank you for your understanding.
