General Information-

Lost & Found- Have you lost something? Lunch bag? Backpack? Hoodie? Shoes? Glasses? We have probably found it! The stuff continues to multiply. Go by the Theatre hallway before or after school to look for it. Found glasses, jewelry, purses, & house keys are kept in the front office with Ms. Satre. Items will be donated to charity at the end of the year.

Attention Parents: Attention Parents: Your student's progress report for the 6th marking period is posted on the Home Access Center. Please take a few minutes with your student to look over the grades & make a plan for improvement, if necessary. As always, teachers are available for tutoring with students who require additional help. Please encourage your child to take advantage of this opportunity if he/she is in need.
