

Delayed Opening/Cancellation of School

School could be cancelled the night before or the morning of the day in question. If school is cancelled the night before, every effort will be made to begin the communications efforts by 10pm. The decision to delay school would most likely be made on the morning of the event.

In the event of a **closing**:

1. Staff, parents and students will be notified via (Just know in advance you will get A LOT of notification).
1. School Messenger-e-mail, phone, text
2. FISD Social Media-twitter, Facebook
3. TRENT MS Social Media- Twitter, Facebook, & Instagram
4. Local News Outlets-TV and Radio
5. District Website-Will be the main banner once a person hits the main page
6. More than likely your own student J

In the event that bad weather moves in during the school day, it is **highly** unlikely we would release school early due to parents' inability to be home to receive students or pick them up. Additionally, due to triple routing of busses, releases would need to be staggered and problematic. If a parent feels they need to pick up their student based on distance to safely travel, that is an individual decision.

if you choose to pick up your child early you must provide your driver license when picking up. If you designate another person to pick up your child, they must be on your emergency contact list. Please verify who you have listed as an emergency contact by clicking on this link- [HAC](#)

To add additional emergency contacts please email Trent at Mehrm@friscoisd.org and Trent@friscoisd.org

For school closings please monitor FISD's [Twitter](#), [Facebook](#) and [website](#).
Thank you for your cooperation, Trent Middle School
