

Trent Parents;

If we do NOT have a current updated shot record for your child showing the state required immunizations for 7th grade then you will need to do the following. Without this record, your child will not be able to receive their 7th grade schedule or begin school in the fall. The specific immunizations are: a Tdap booster and the Meningitis shot. These are typically given at the 10 or 11 year old check-up, so check with your doctor. You can drop it off at the front office, email or fax a copy. We are unable to accept "pictures" of shot records.

If you are providing an affidavit from the state, we need the original. **Please do not respond directly to this email. Contact information is below!**

Fax: 469-633-4418

Email: flemingl@friscoisd.org

This needs to be done as soon as possible preferably before summer break as we are getting schedules ready for next school year. Deadline is August 1st.
