

Accounting II

Prerequisite: Accounting I

Accounting II (CTEC) (1 credit)
11th – 12th grade

Students continue the investigation of the field of accounting, including how it is impacted by industry standards as well as economic, financial, technological, international, social, legal, and ethical factors. Students reflect on this knowledge as they engage in various managerial and cost accounting activities. Students formulate and interpret financial information for use in management decision making. Students practice appropriate journalizing skills, and are introduced to Peachtree accounting software that will prepare them for conducting accounting business in the workforce. Materials fee may be required for this course.
