

Apply for Additional Programs

In order for a student to apply for more than one program at the CTE Center, the student will need to create an additional application for each program.

Create Additional Applications

- Log in to the application
- Click on the **green plus sign** in the upper right corner to **Add Application**
- Complete the additional application

Note: References will need to be completed by teachers for each application. The teacher may think they have already completed the reference. The student will need to let the teacher know that they applied for more than one program.

Please select a Application:

(Logged in as manuelid@friscoisd.org)

Please be aware that the application will log you out if you do not save, or otherwise navigate within the application, at least every 45 minutes.
