2025-2026 Focus Areas/Key Questions/Goals

Focus Area 3: Guaranteed and Viable Curriculum

Key Question 3: Are all learners demonstrating grade-level achievement?

Initial Status: Maintain but Consider a Change

Goal 1 Details	Reviews			
Goal 1: Teachers will consistently monitor student progress and respond to individual student needs by designing lessons and tailoring instruction to improve student outcomes in reading and math. Evidence of Success: Evidence of success will be growth in Masters for 4th grade STAAR scores in both math and reading as an overall grade level. Staff Responsible: ILT, teachers and sped teachers. Strategy 1: 4th grade Reading and Math teachers will teach to standard mastery through the use of targeted small group lessons.

Resources: District coordinators, district curriculum and extra planning.

Professional Learning: PD at the beginning of the school year with IC, ongoing math and reading collaboratives, district curriculum updates, data talks, learning walks and district coordinators.

Communication Plan: Student portfolios will be a communication tool for students and parents. Communication with staff will be through data meetings which create a 2 way communication tool for ILT and teachers.

Date(s) / Timeframe: Ongoing and end date will be May of 2026

Collaborating Departments: ILT, 4th grade teachers and SPED

Staff Responsible: ILT, 4th grade teachers and SPED

Evidence: STAAR Masters scores

TEA Priorities:
Build a foundation of reading and math
