Evidence: Individual data sheets for students. Students can speak to their goals and know what they are.

Action Steps: 1) Collaborate with students to define clear, achievable mastery goals, using "I Can" statements and student-friendly language to define success criteria. 2) Monitor progress or individual student graphs to identify areas of struggle and celebrate growth. 3) Adjust instruction based on data, re-teaching or providing extra support as needed. 4) Provide regular feedback through conferences to discuss performance and set the next incremental goal, fostering continued progress and student agency.

Strategy 2: The Principal and AP will set data goals with each teacher BOY, MOY, EOY.

Resources: Teacher goals setting sheets, Snapshot data, STAAR

Date(s) / Timeframe: By the end of the year

Staff Responsible: Principal and AP
All Staff to set the goals

Action Steps: To establish clear data goals with teachers at Begin-of-Year (BOY), Mid-Year (MOY), and End-of-Year (EOY), The principal and assistant principal (APs) will hold individual meetings, use student data, and establish clear action steps, progress monitoring, and criteria for success. Regular, collaborative checkpoints and documented support throughout the year are crucial to track progress.
