

Phillips Elementary PFE Policy

2025-2026 Parent & Family Engagement (PFE) Program

What Is It?	Phillips Elementary is committed to our vision: All students who enter our school will feel welcomed, supported, and prepared to succeed in life. One way we continue to do this is by participating in the Title I, Part A State Program. This program provides funding for low socioeconomic schools. In return, we promise to meet the expectations laid out for us by the Texas Education Agency and the United States Department of Education.
Funding	Title I funds will be allocated for the implementation of the parent and family engagement program. Such programs, activities, and procedures will be planned and implemented with meaningful consultation with parents of participating children.
