

Tadlock Elementary Arrival Plan

School begins at 7:50am. Students can begin arriving at 7:10am and should arrive no later than 7:45am to ensure they are in their seat ready to start class at 7:50am. Between 7:10-7:20am, students should be dropped off near the front corner of the building and wait inside the front entryway until 7:20am. After 7:20am, all students should be dropped off either in the back of the school or on the south side of the school. Please use the lane closest to the building to drop off your child. A staff member will be standing next to the drop off area. Students will be asked to wait outside their POD area until their teacher picks them up at 7:30am to take them to their classroom.

Students who walk to school may enter either through the south side drop off area or the front of the building. **Students and parents must use the crosswalks to cross the street.** All parents and visitors must enter through the front doors and sign in before they can go into the building.
