

WHAT IS A SCHOOL-PARENT COMPACT?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective Compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that staff, parents, and students can use to improve student outcomes
- Explain how teachers and parents will communicate about student progress
- Describe opportunities to observe, volunteer, and participate in the classroom

Jointly Developed

The parents, students, and staff worked together and shared ideas to develop the school-parent compact. At a campus improvement team meeting each year, parents and staff review and revise the compact based on the school's academic achievement goals and students' needs.

Parents are welcome to provide feedback at any time. All feedback will be collected and reviewed during the annual revision meeting with parents.

School responsibilities

Staley Middle School will support student learning and achievement by:

- Providing parents with ways to support their child's progress, including, but not limited to: interim progress reports, frequent curriculum and conference hour availability, and regular parent communication.
- Fostering a relationship with the students and parents that is supportive and mutually respectful.
- Providing high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement standards.
- Provide mental health and social emotional support for students.
- Providing parents opportunities to volunteer and to have an opportunity to observe/participate during the school day through activities that may include a scheduled class observation time upon request; chaperone for Study Trips; PTA school-related activities, and grade-specific scheduled activities.

Parent Responsibilities

We, as parents, will support our child's learning in the following ways:

- Staying informed about my child's education and performance through available websites, including HAC, and communicating with the school, as needed.

- Participating in decisions relating to my child's education and performance through a mutually respectful relationship with Staley staff.
- Seeing that my child arrives at school each day at or before 8:15 and strives for 100% attendance.
- Providing a time and area for my child to complete homework, check for completion, and encourage my child to give their best efforts.
- Ensuring, to the best of my ability, that my child has the proper tools to succeed: healthy nutrition, adequate sleep, and proper school supplies.

Student Responsibilities

We, as students, will share the responsibility to improve our academic achievement and college preparedness. Specifically, we will:

- Come to school on time every day, ready to learn, actively engaged, and prepared to put in our best effort.
- When absent, students will take responsibility for missing assignments by utilizing Canvas.
- Complete our homework daily and seek help when needed through tutorials or communicating with our teachers through email or in person.
- Give our best effort to meet the campus expectations.
- Become involved in extracurricular activities, clubs, and organizations, and participate in other activities to show school spirit and school pride.
